The main area displays the 'Week-3 sdp-3' list, which is marked as 'Private'. It contains five problems, each with a green checkmark indicating completion: 1. Daily Temperatures, 2. Minimum Add to Make Parentheses Valid, 3. Minimum Cost Tree From Leaf Values, 4. Minimum Remove to Make Valid Parentheses, and 5. Design a Stack With Increment Operation. A dropdown menu is open on the right, showing the user's profile '190031274_Imran' and various navigation options like 'My List', 'My Playground', 'Notebook', 'Submissions', 'Sessions', 'Progress', 'Points', 'Subscription', 'Orders', and 'Sign out'.

This screenshot shows the same LeetCode 'My List' interface, but with a progress summary on the right. The 'Week-3 sdp-3' list remains the same. The progress summary includes a green circular progress indicator, a session labeled 'Anonymous Session', and a table showing the user's progress: 0 Todo, 5 / 5 Solved, and 0 Attempted. Below this, the user's experience points are shown as 'Exp. 2277' and '2277'.
